**MODEL OF British American Oil's new \$25 million refinery at Port Moody near Vancouver is described by refinery manager, C. W. Coote to B. C. Labour Minister Lyle Wicks and B-A President E. D. Brockett following a dedication ceremony dur-**

**ing which Mr. Wicks pushed a series of switches putting the refinery "on steam." The 39 foot model is an exact replica of the 20,000 barrel a day refinery which is B-T's first in B. C. and sixth in Canada. Start up came only 48 hours after the opening**

**of B-A's \$25 million gas processing and sulphur plant at Pincher Creek, Alta., which will make the company largest single supplier of natural gas to Trans Canada Pipe Line.**

## FORMER KASLO GIRL RUNNER UP IN ESSAY CONTEST

Canadian born Claire Shaffer, one of six finalists of an essay contest who were interviewed at the U. S. Embassy, was runner up. The competition was organized by the Council for Education and World Citizenship.

Claire, a native of Kaslo lives with her family at Beckenham, Kent.

Her father, Phillip Schaffer, was the school principal here a number of years ago.

John Gouden, 17 year old Sheffield England boy was elected last week to represent England at a New York youth forum next year.

Former Nakusp boy, C. Douglas Horrey, above, of Richmond, B.C., led 75 successful candidates in intermediate law examinations of the Institute of Chartered Accountants of British Columbia. Son of Mr. and Mrs. C. H. Horrey of Nakusp, he secured a West Kootenay regional scholarship to University of B.C. upon graduation from Nakusp High School in 1955. After a year at UBC, he entered the Kilgus office of Griffiths and Griffiths and recently transferred to the Vancouver office of this firm.

## FLASH

The Kaslo Hotel beer parlor will open on Saturday October 25th.

Rooms are already for occupancy and the official opening will take place next Friday.

Please watch for an official announcement to appear in next week's issue of the Kootenaiian.

## R. C. M. P. REPORT

Oct. 9th., John George Sinclair was charged with driving while licence was suspended - \$10 and costs. Also charged with driving with undue care and attention. - \$10 and costs.

Oct. 16. Robert Thaine Cowan Yellowknife N. W. T. was involved in a collision with Miles Angus MacPherson of Castlegar. Total damage, \$350. Accident occurred half mile south of Ainsworth. No charges laid.

Oct. 18. George M. Mercs, Revelstoke collided with the open door of a vehicle operated by Wilf Brocannier of Nelson. The Brocannier car was parked with door open while driver was searching for hub cap near Shutty Bench.

**LOST IN LARDEAU**  
Oct. 18th. Peter Henne, 3201 Highway Drive, Trail, 38 years old was on fishing party with friends at Glacier Creek near Howser. At noon on Saturday friends began search when he failed to show up. After an all night search, police and forestry were called and a party organized.

Henne was located in swamp area at the base of Glacier creek by Slim Hatfield of Howser. He was found none the worse for his experiences and returned to Howser where he dried out.

**TRIO REMANDED GARRETT CASE**

Three men were remanded for one week when they appeared in police court in Burnaby last week charged with the murder of Clarence Douglas Garrett, 35 of Castlegar.

The three men, John Popoff, 27, his brother, Larry, 22, and a cousin Harry Popoff, 19 are being held in Oakalla prison.

## STORK CLUB

BORN To Mr. and Mrs. D. Collins of Kootenay Bay at the Kaslo Victorian Hospital on October 16 th. a son.

BORN To Mr. and Mrs. V. Covucci of Riondel, B. C. at the Kaslo Victorian Hospital on Oc-

## BOARD OF TRADE PLAN SPECIAL MEET

The Kaslo Board of Trade held a regular monthly dinner meeting at the Grandview on Wednesday October 15th at 6 p. m. with 26 members present.

The meeting was called to order at 6:50 by chairman J. A. Cochran and a letter was read from Mr. Hepper of Nelson proposing work to be done at Kakanee Glacier Park and to the access road up the south fork of Kaslo Creek.

A letter was ordered written to the Hon. Mr. Westwood asking that Mr. Heppers proposals be acted on immediately.

Mr. Charles Bantock and Mr. Pat Dunn of the B. C. Chamber of Commerce have been invited to address a dinner meeting of the Kaslo Board of Trade here on November 11th. Slocan, Lardeau and Nakusp representatives have been invited to the meeting.

The meeting was adjourned at 8 p. m. in order that the members could attend a lecture at the school.

## ARGENTA FARMERS TO FORM INSTITUTE

The Willet Farmer's Institute, which has been formed to serve the needs of farmers at the north end of Kootenay Lake will hold its first membership meeting on Saturday evening at the Argenta Elementary School.

The Institute plans to supply its members with feed, petroleum products and food as well as representing the local farmers in matters of mutual concern.

The public is cordially invited to attend either to learn about the Institute or to join with the other charter members of the Willet Farmers' Institute.

## SR. CITIZENS HOLD PARTY

The Kaslo and District Women's Institute and the Sr. Citizen Club united to celebrate the second anniversary of the forming of the Club and the registry of title to the property by the V. I. last week.

The Club room was filled with interested citizens and Mrs. H. Carlson, president of the Institute welcomed the guests in a short speech. She paid tribute to those foresighted women who over 40 years ago started a building fund and who worked hard toward a goal now reached. She thanked all who had helped in any way to make this possible.

Mr. W. Jones, president of the Sr. Citizen's Club also spoke in word of welcome and thanks. He voiced the appreciation of the club for a comfortable place to meet.

Mayor Green said, he among others had been skeptical when the W I proposed such a scheme but now it is a reality and Kaslo is a place where citizens and visitors can sit and rest and chat and play cards or read. The City is proud to have been of assistance and would endeavor to help at any time. Several aldermen in attendance endorsed his statements.

Mr. Alf Watson then conducted the program starting with a singing.

Mr. and Mrs. Miller played piano and violin; Mrs. J. Humphries sang two songs accompanied by Irene Bisbee at the piano. Dr. Wilkinson and Mr. Laper of Lardeau played rousing duets on violin and accordion and were called back twice or more selections.

Mrs. E. Linn sang two Scotch songs; The Selkirk Quartet comprised of Mesdames, Bisbee, and Humphries and Messrs. Watson and Humphries sang two numbers accompanied by Mrs.

## INTERIOR LUMBER OPERATORS ACCEPT 6 percent CONCILIATION BOARD AWARD

At a general meeting of its membership was based on the equalization, October 10th, a majority of the members of the Interior Lumber Manufacturer's Association voted in favor of accepting the majority award of the Conciliation Board provided the award is also accepted by the Union.

The Board award provided for a two-year contract with wage increases of 3% each year.

Due to depressed market conditions, an increase was out of the question on a one-year contract basis. The stability afforded over a two-year period influenced the operators in giving approval to the Board's award.

The Coast operators and the I. W. A. made a contract providing no increase this year. Alberta operators, bordering the Southern Interior are operating under I.W.A.

certification at a wage rate thirty-six cents lower than presently paid by B. C. Southern interior operators. The Conciliation Board award for Northern Interior Lumber industry has recommended no increase on a one-year contract. In spite of this the I. L. M. A. members approved a two-year contract on the basis recommended by the Conciliation Board.

Throughout the negotiations the Union's main argument for an in-bership, held in Penticton, on Friction of the existing differential in wages between Coast and Southern Interior regions. Integration in the Coast lumber industry, including a highly developed recovery of forest and sawmill waste for pulp, combined with the advantage of export markets, makes the coast and Interior lumber industries two entirely separate economies.

## LOWER ARROW LAKE BOARD OF TRADE WANT SIX MILES RELOCATED

On Tuesday, 7th, President of the Lower Arrow Lake Board of Trade, Don Williams and H. Hopp had the pleasure of going before B. C. Cabinet meeting in Vernon and along with Lumby Board of Trade, presented a brief on No. 6 Highway.

The brief is as follows: When the Edgewood-Vernon Highway was officially opened in the year 1925, we, the people of the Lower Arrow Lakes, were very happy, as it gave us an outlet to other parts of the Province of British Columbia, even though it was only for the summer months of the year. No effort was made to keep the highway open in the winter.

Sometime during the summer of 1953 a combined meeting of the Lower Arrow Lakes and Lumby Boards of Trade was held at the Kettle River Crossing, a point ap-

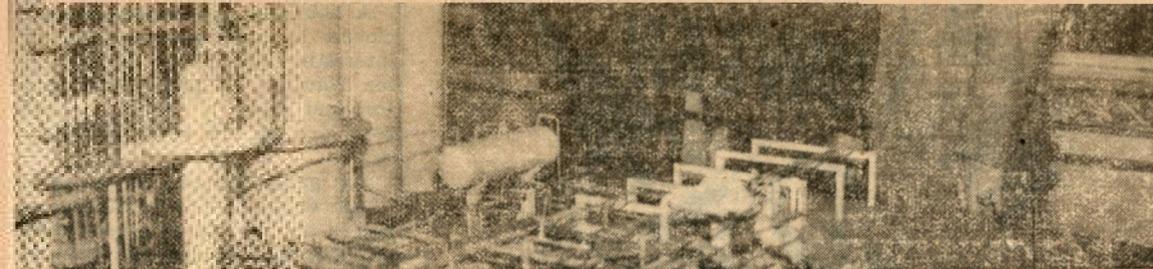

proximately half way between Edgewood and Lumby. At this meeting, the Hon. Minister of Public Works, Mr. Gaglardi, got the views of the respective Boards as to the needs of the district in so far as Highway No. 6 was concerned.

Mr. Gaglardi then proceeded to Needles, B. C., where a banquet was held to celebrate the occasion of the Minister's visit. It was very evident that the Hon. Minister realized our needs as to getting an adequate modern highway.

Where there had been no relocation since 1925, as the old highway had only a width of 14 feet and less over the most portion of it, we now had considerable improvements made with the result that we have a highway which is in fairly good shape, and would be ready for black-topping with only a moderate expenditure of money.

There are a few sections which are in need of a relocation, namely the section along McIntyre Creek,

ved by Mrs. Arthur. Mrs. Tate

MODEL OF British American Oil's new \$25 million refinery at Port Moody near Vancouver is described by refinery manager, J. W. Coote to B. C. Labour Minister Lyle Wicks and B-A President E. D. Brockett following a dedication ceremony dur-

Mr. Alf Watson then conducted the program starting with a sing-song.

Mr. and Mrs. Miller played piano and violinet; Mrs. J. Humphries sang two songs accompanied by Irene Bisbee at the piano. Dr. Wilkinson and Mr. Taper of Lardeau played rousing duets on violin and accordion and were called back twice or more selections.

Mrs. E. Linn sang two Scotch songs; The Selkirk Quartet comprised of Mesdames, Bisbee, and Humphries and Messrs. Watson and Humphries sang two numbers accompanied by Mrs. Bildstein.

Mr. C. Yoxall in humorous vein recited a poem of his own composition on happenings in Kaslo "They've gone as far as they can go," he concluded by singing Happy Birthday Seniors.

Mr. Watson sang two songs and closed with more sing-song. Refreshments were then ser-

The public is cordially invited to attend either to learn about the Institute or to join with the other charter members of the Willet Farmers' Institute.

### BIBLE POINTERS

By F. T. B.

Be not conformed to this world. - Rom. 12:2.

As the loyalty of God's people wanes, their marked separation from the world steadily disappears.
