Department of Secretary of State,
1525 West 8th Ave.,
Vancouver, B. C.

Attn.: Carol Ann Soong & Butch Smitheran.

Dear Ms. Soong and Mr. Smitheran:

The West Kootenay Status of Women Council has worked successfully for the past year informing the public about issues relating to the status of women and co-ordinating the projects and activities of interest to women from all over this geographical area.

We are applying for project funding from the Secretary of State's Women's program. Enclosed is an explanation of the work we have completed in the past year, the work we are currently involved in, and the work we would like to undertake in the near future.

We feel that the improved position of women will benefit all members of society and is therefore of import to everyone.

It is hoped that you will consider this application favourably.

With good feeling,

Marcia, Rnasdentbard,
President,
West Kootenay Status of Women Council
