Trail Art Club,
Trail, B. C.

Dear Mrs. Wilkins:

West Kootenay Women, (formerly West Kootenay Status of Women Council) are sponsoring a film and art show to be held at Selkirk College on September 5, 6, and 7, 1974. It is our hope to show, along with the film and art being brought in for the affair, the work of local women artists. We are looking for sculpture, paintings, photographs, prints and drawings.

We are calling a meeting for Wednesday, July 31, 8PM, at Selkirk College to organize the show. We are writing to each art group and interested people in the district and hope that they will be able to send a representative. We would sincerely appreciate your co-operation in this matter.

Yours truly,

M. Hodgson
