Dear Dryme:

We will want to participate in the Feminist News Service, which will entail paying a fee—We certainly hope the fee won't be too high.

It may be possible for us to cover travel for one person from this area, so please keep us informed on how the plans are going for the Feminist News Service Conference in Winnipeg.

It looks like the Western Canadian Women's Festival is going to happen as planned, on June 13, 14, 15, and 16. We are looking for performers and arts and crafts women as well. If you could let people know, they can contact us at Box 1200, Castlegar, until we get an office together.

Can you tell me "Meridith's" address in the Celebacy article?

See you in ThunderBay,

Marcia
