Re: **Gender Equity Framework Project - Skills Now**  
**Elizabeth Carriere Report**

At its meeting yesterday, the Equity Committee made the following motion:

*"The Equity Committee recommends to the PAB that the recommendations contained in the Gender Equity Framework Project Skills Now document by Elizabeth Carriere that relate to apprenticeship, be endorsed by the PAB and the Ministry be advised that the PAB urges implementation."*

The Committee was asked to review the document in detail, prior to February 29, 1996, when the minutes of yesterday's meeting will be finalized and circulated to Board members. Would you please review the referenced document and advise me, by February 29, 1996, if you have any concerns or issues which may affect the above recommendation to the Board.

A handwritten signature in cursive script that reads "Karen James".
