The Honorable Paul Ramsey
Minister of Education, Skills and Training

Dear Paul Ramsey:

To follow up on my communications with you last week:

While I have received and reviewed the current document from the Ministers' Committee on ITAC, and recognize that some of my concerns were taken into account, I truly believe that it is essential for this document to be sent to the Ministry of Women's Equality for a Gender Impact Analysis before it goes to Cabinet.

I trust that you will ensure that this takes place.

With regard,

Marcia Braundy
