*"A compelling rhapsody of the female essence. . . .
Ultimately Ensler achieves something extraordinary."
—Chicago Tribune*

*"By the end of the show, the audience has moved from
slightly embarrassed to highly engaged, sometimes enraged,
and ultimately enlarged. They leave understanding that a
woman is more than the sum of her parts, but if some of her
parts are unmentionable, she is diminished" - O Magazine*

*"Spellbinding, funny, and almost unbearably moving . . . it is both a
work of art and an incisive piece of cultural history, a poem and a
polemic, a performance and a balm and a benediction." —Variety*
