Dear Klaus,

We wanted to express our appreciation for the use of the Labour Centre meeting room without charge for our general membership meeting March 14.

It was a successful meeting. We adopted a three month plan which includes doing local fundraising as well as continuing to lobby for secure provincial and federal funding, during which time the Women's Centre will continue to operate as usual. We will assess our situation at our AGM in June and make further decisions for the future.

The support of the community such as your waiving rent on your meeting space has been very heartening and has made us realize that despite federal cuts to our funding we have a strong base we can continue to build on.

Thanks again and we will keep you informed of developments.

Yours truly,

Sally Mackenzie
