

ANNEX I – Work Plan and Evaluation Plan

<p>Project Goal: To create a comprehensive regional program in collaboration with The Greater Trail Community Skills Centre, Kootenay Career Development Society and Selkirk College, that enables and fosters the positive experience of women integrating into technical training and work, leads to greater economic security for the women involved, and contributes to solutions for the Kootenay district and Canada's skills shortage crisis.</p> <p>Objective: With the Greater Trail Skills Centre, develop and explore funding for GETT summer camps for 6th, 7th, and 8th grade girls, e.g. the Industrial Training Authority</p> <p>Expected Outcome for this objective: Funding will be found, and at least 16 girls will participate in week-long GETT Camps in Nelson/Trail, expanding their career options and directions.</p> <p>Fill out the template sheet for <u>each</u> project objective. Please consult the Glossary of Terms for a definition of key elements.</p>					
Activities (specific actions to be taken)	Timelines (include dates)	Inputs (human and financial resources)	Outputs (tools, reports or products resulting from the activity)	Indicators (evidence showing progress towards outcome)	Measurement Method(s) or Tool(s) (quantitative or qualitative)
Working with the Greater Trail Community Skills Centre, who would be taking the lead, we would seek out funding for the wonderfully successful Girls Exploring Trades and Technology Summer Camps where middle-school girls learn to use Computer-assisted drafting to design go-karts and the shop facilities to build, paint and race them the last day.	While it is possible it may happen in the summer of 2008, we would probably be planning for 2009	Coordinator, Partners. Office\$, Promotion\$	At least 2 camps of 8 girls each.	Funding is found	Camps happen, Feedback is good
Negotiate to access secondary school and Selkirk College shops and tools		Coordinator, Partners. Local Travel\$	Location for Camps	Institutions are satisfied with results	Evaluation form
Locate females would could act as trades instructors and role models for the program		Coordinator, Partners. Local Travel\$	Staff for Camps	Staff enjoy their experience	Evaluation form
Gather donations of money and materials for building the go-karts and other shop projects.		Coordinator, Partners. Local Travel\$	Money for materials and material donations	Money comes in	Camps are successful (Got a bit tired here...)
