Dear People

The West Kootenay Women's Association, the Nelson & District Women's Center, and our NAC rep, Hannah Hadikein, would be interested in meeting with Mary Woo Sims on or about May 22.

It is not entirely clear what the format of such a meeting would be. Are you thinking of meeting with several groups at once, or in making individual arrangements? These three groups would meet at one time, if we are talking about individual arrangements. The Aimee Beaulieu Transition House has also indicated they would be interested in meeting at the same time.

There has been quite a bit of confusion because people think that the reference to the Forum organizer on the second page of your letter means this forum, your forum. So people are contacting me to find out about what to do. I have been referring them on to you, but I suspect some interested people may not meet your deadline because they think they can contact me.

Please get back to us about what arrangements you would like to make.

Thank you
