To Whom It May Concern,

The Nelson & District Women's Centre is in the process of planning our annual Take Back The Night Event. This year's event will take place on Tuesday, September 24th. We will be meeting at 6:30pm in front of the Kootenay Country Co-op Store at Baker and Kootenay for a short Rally and to begin the March. Our march this year begins at Baker and Kootenay streets and we will continue along Baker to Hall St. From Hall St we will turn right onto Herridge Lane, then up Josephine to the Women's Centre at 420 Mill St. Following the march, there will be an open house at the Women's Centre.

We have contacted the local Nelson City Police to inform them of our event and to request their support to ensure the safety of those citizens participating in the rally and march. Our contact with the Nelson City Police is Sgt. Doug Haddow.

If you require any additional information, or if you have any concerns regarding our event, please contact me (Cheryl Dowden) at 352-3177.

Sincerely,

Cheryl Dowden
