

SHATTER THE SILENCE!

On Wednesday, November 12 at 7pm, we invite all women and genderqueer-identified persons to:

Take Back the Night!

Join us to march and raise your voice against systemic, gender-based violence.

The rally will begin at 7pm in front of the Kootenay Co-Op with speakers (+ coffee and snacks!) followed by a march to City Hall.

After the march, supporters and marchers are invited to attend a

Creative Coffeehouse
at the

Cocoa Nut
Lounge.

While the march is for self-identified women and genderqueer persons only, everyone is encouraged to join us for the gender-inclusive Pre-March Rally and Coffeehouse portions of the event.
